

Yuck!

Day 8!

Read (Psalms 1: 2) **KJV** and fill in the missing words:

“But his _____ is in the _____ of the Lord; and in his law doth he _____ day and _____”

“You two remember how you were sharing with me earlier today what you felt it meant to ask, seek and knock?” They both nodded.

“When you have a question you want God to answer. You have to seek after God by searching the bible, just like you searched the room and kitchen for that smell. You also have to ask God questions in prayer, just like both of you questioned everyone about the odor. And finally; praying can be like knocking on God’s door, just like you both did to get my attention to handle Mr. Stinky feet downstairs”. They all laughed.

Corny Knock Knock Jokes!
