# Toupee For Lemonade Game Instructions:

This is a 2-4 PLAYER card game.

Each player gets 7 cards.

Take one card from the draw pile and placed it in the center of everyone.

Choose the first player randomly and then the game will continue clockwise.

Each player must **MATCH** the **NUMBER** or **COLOR** of the center-placed card from their personal deck. If the card is matched then the game continues to the next player.

If **NOT** matched then you can draw a special card from your hand (**WILDCARD, DRAW 2** or **SKIP-A-TURN**). These cards **CAN MATCH ANY COLOR** or **NUMBER**.

If **NONE** of the cards match centered-placed card then the player has to **PICK THE TOP CARD** from the draw pile and **CONTINUE** to dig until they are able to place a matching number or color, then game continues to the **NEXT PLAYER**.

Also, don't forget to throw special cards in-between to make other players stop from winning (**SKIP-A-TURN** or **DRAW 2** card). These cards can be placed **ANYTIME** (the color or number does **NOT** matter)

The player who finishes their personal deck first **WINS THE GAME!**

Have **FUN** and let's play!
